The Owners at Stylex take its Environmental and Health and Safety Responsibilities very seriously. This includes conducting a thorough evaluation of environmental and occupational risks on an annual basis at a minimum and developing continuous improvement projects to reduce these hazards and ensure regulatory compliance.

We are pleased to declare that neither Stylex nor any of its representatives, has been found guilty of a criminal violation pertaining to any Environmental, Health, and Safety Regulations within the previous 3 years. This includes all local, state, and federal regulations such as the Occupational Health and Safety Act and the Environmental Protection Acts in the United States and the state of New Jersey. Stylex is also in compliance with all necessary labor laws and inclusiveness standards such as the Equal Employment Opportunity Act and Affirmation Action requirements.

This document applies to all buildings owned / operated / leased by Stylex including the manufacturing facility in Delanco, NJ, the warehouse in Delanco, NJ and the Merchandise Mart showroom in Chicago, IL.
